Each student may pick-up only his own packet, and registration permit.

THE REGISTRATION CENTER FOR ALL REGISTRATION WILL BE LOCATED IN THE ASSEMBLY AREA ON THE SECOND FLOOR OF W. H. PLEMMONS STUDENT CENTER.

Monday, March 4 - Registration of Seniors and Graduate Students  
(8 A.M. - 12 Noon; 1 P.M. - 5 P.M.)

- Tuesday, March 5 - Registration of Juniors  
(8 A.M. - 12 Noon; 1 P.M. - 5 P.M.)

(8 A.M. - 12 Noon; 1 P.M. - 5 P.M.)
- Thursday, March 7 - Registration of Freshmen

- B. On February 27, 28, 29, and March 1, when packets are distributed, each student must pick-up a Registration Permit giving him a definite time to pre-register. For example, Seniors and Graduate Students will pick-up Registration Permits on February 27 for the following hours during the day:

8-9, 9-10, 9-11, 11-12 (lunch)                      1-2, 2-3, 3-4, 4-5

Permit holders will be admitted during the hour that is shown on their permit. Permit holders beginning with the number (1) will be admitted first.

- C. Each student will bring to the Registration Center a Registration Approval Form, on which the student's complete schedule has been listed, signed by his Advisor.

A "puller" for the proper departmental area, will receive the Registration Approval Form, pull the course cards for the student, and initial the Registration Approval Form.

Course cards will be issued only upon the presentation of a properly prepared Registration Approval Form.

When all course cards have been obtained, each student will complete the filling in of all cards in his packet (much of which can be done before coming to the Registration Center).

The phase of registration which is done in the Registration Center is completed when the student takes to a "checker" all of the registration material which he has collected. It is important that this include all course cards which may have been obtained from instructors in sequence courses.

- D. Registration will be completed by paying fees in the Student Recreation Area (Physical Education Class Area) of the Cafeteria Building on March 13, 14 and 15. All accounts for Winter Quarter must be paid before students will be permitted to complete registration for Spring Quarter by paying fees.
- E. Students who have not paid fees for Spring Quarter by March 25, or have not arranged with the Cashier's Office for the

payment of fees, are not properly registered, and are not eligible to attend classes.

- F. Students pre-registered for Spring Quarter may not alter schedules except by drop-add at the beginning of Spring Quarter.

## II. Registration at the beginning of Spring Quarter, March 25

- March 25 - Students not on campus during Winter Quarter will be registered from 8 A.M. to 12 Noon.
- March 25 - Drop-adds will be processed beginning at 1 P.M.
- April 1 - Deadline for adding a course
- April 15 - Deadline for dropping a course without indicating passing or failing.

### A. Vital Registration Information

1. In the past, a few students have devised schemes to secure course cards in addition to those for which registration approval has been obtained. This practice is very unfair to other students who must register later. The registrar's Office solicits the cooperation of all students in the elimination of this problem.
2. Sequence Courses - In certain sequence courses (Example: History 101, 102, 103), class cards for the next course in the sequence will be passed out in class prior to pre-registration. Students who have received such cards should list the course on Registration Approval Forms. The yellow-top class admission card will be left with the instructor, but it is essential that the blue-top course card be brought to the Registration Center at the time of pre-registration, and be turned in along with all other material in the packet to a "checker".
3. Graduate students who plan to register for undergraduate courses should go to Checkers for instructions.
4. Any undergraduate student who forgets to bring his packet to pre-registration or on registration day must get permission from the Office of the Dean of Student Affairs before going to the Computer Center to secure a packet. Graduate students must secure permission from the Graduate Office. The Computer Center is located in Smith-Wright Hall, Room 112.

5. Women who have married and whose packets are under their maiden names should go to the Records Room before pre-registering for Spring Quarter.
6. Undergraduate students expecting to complete degree requirements at the end of Spring Quarter must file an application for degree and certification on March 25, or on the day seniors pre-register, March 4.
7. Undergraduates may not register for more than 19 hours without written permission from the Registrar. Graduate students may not register for more than 15 hours.
8. When registration has been completed, take receipt for fees and paper copy of program card to the College Bookstore to obtain textbooks.

### III. Instructions for Filling out Materials in Packet

- A. It is not necessary to write anything on the Student Master Card or any course card secured.
- B. Please fill in all blanks on the Student Information Card and Locator Card.
- C. Follow the directions printed on the Library Card.
- D. Fill in the top part of all copies of the Program Card. On the paper copy of the program card, the student should enter the department and course number desired.
- E. Fill in the left hand portion of the Fee Card with a ballpoint pen.
- F. Fill out draft cards according to instructions given on cards.

ALL ITEMS LISTED ABOVE SHOULD BE COMPLETED PRIOR TO PRE-REGISTRATION  
OR REGISTRATION DAY

### IV. Drop-Add Procedure

To add a course, a student has to secure permission and the drop-add form from his advisor. The drop-add form is taken to the Registrar's Office to pick-up a new course card and Class Admission Card must be taken to the instructor of the class added before the student will be admitted to class.

To drop courses, the student must get the approval of his advisor. (A drop-add form is obtained from the student's advisor.) The student must secure the Class Admission Card from the instructor involved and take it and the drop-add form to the Office of the Registrar.

APPLIED MUSIC COURSES

All students taking applied music courses must have these courses approved by Dr. Spencer. After Dr. Spencer indicates approval on the Registration Form, course cards will be issued by the Music Department.

## RESIDENCE STATUS FOR TUITION PAYMENT

The tuition charge for legal residents of North Carolina is less than for nonresidents. A legal resident of North Carolina is one who has his domicile in this State. It is important that each applicant for admission and each enrolled student know his residence status for tuition payment and understand the regulations governing residence status. The following regulations cover most factual situations:

1. A person twenty-one years of age or older is not deemed eligible for the lower tuition rate unless he has maintained his legal residence in North Carolina for at least the six months next preceding the date of his enrollment in an institution of higher education in this State.
  2. The legal residence of a person under twenty-one years of age at the time of his first enrollment in an institution of higher education in the State is that of his parents, surviving parent, or legal guardian. In cases where parents are divorced or legally separated, the legal residence of the father will control unless custody of the minor has been awarded by court order to the mother or to a legal guardian other than a parent. No claim of residence in North Carolina based upon residence of a guardian in North Carolina will be considered if either parent is still living unless the action of the court appointing the guardian antedates the student's first enrollment in a North Carolina institution of higher education by at least twelve months.
  3. The residence status of any student is determined as of the time of his first enrollment in an institution of higher education in North Carolina and may not thereafter be changed except: (a) in the case of a nonresident minor student at the time of his first enrollment whose parents have subsequently established legal residence in North Carolina; and (b) in the case of a resident who abandons his legal residence in North Carolina. In either case, the appropriate tuition rate will become effective at the beginning of the semester or term next following the date of change of residence status.
  4. The legal residence of a wife follows that of her husband, except that a woman student currently enrolled in this institution as a resident may continue as a resident even though she marries a nonresident.
  5. Military personnel attached to military posts or reservations in North Carolina are not considered eligible for the lower tuition rate unless they have maintained a legal residence in the state for at least the six months next preceding the date of first enrollment in an institution of higher education in the state.
  6. Aliens lawfully admitted to the United States for permanent residence who have established a legal residence in North Carolina according to Paragraphs number 1, 2, or 4, above, are eligible for the lower tuition rate.
  7. Ownership of property in or payment of taxes to the State of North Carolina apart from legal residence will not qualify one for the lower tuition rate.
  8. Discretion to adjust individual cases within the spirit of those regulations is lodged in the Director of Business Affairs and Registrar.
- Any student or prospective student in doubt concerning his residence status must bear the responsibility for securing a ruling by stating his case in writing to the Director of Business Affairs and Registrar.
